

Current Information on the Availability of Our Medicinal Products in Germany

Status: May 2026

Discontinuation of ISCADOR® varieties M and Qu “special” in the 5 mg strength
ISCADOR® M Special and ISCADOR® Qu Special 5 mg strength will remain available until mid-2026, while stock last.

To ensure the continued availability of treatment with 5 mg doses in the future, the approval of ISCADOR® M and Qu 5 mg is currently in preparation. Until these products become available, it is recommended to administer **half an** ampoule of ISCADOR® M or ISCADOR® Qu 10 mg respectively.

Discontinued Product		Recommended Replacement	
PZN	Item description	PZN	Item description
01385611	Iscador M 5 mg special 7 ampoules	01385516	Iscador M 10 mg (half ampoule) 7 ampoules
